

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WON HIS FIGHT

Appointments of Democratic Rural Mail Carriers Will Stand

Representative Kehoe in Washington Wednesday won his fight in upholding the appointments of the six Democratic Carriers in the rural mail delivery service which were recently made in this county.

Some two months ago, upon the establishment of the additional routes in Mason, an examination for Carriers was held, and the six applicants who had attained the highest averages were appointed. It developed later that the six successful candidates were all Democrats, and the Republicans of the county protested to the Post-office Department, and stated that there was collusion between the Examiner and the Democrats.

The Department immediately revoked the commission of the Carriers, after they had gone to the expense of purchasing wagons and horses. Mr. Kehoe complained to the Department about the matter, the case was investigated by the Civil Service Commission, and the charges were declared to be groundless.

Regardless of this, the Department continued to hold up the commissions. Mr. Kehoe insisted that the commissions be issued to the Democrats, who were entitled to the places, and after several weeks delay his contention was Wednesday sustained by the Department.

The six Democrats will be appointed and the county service, consisting of six routes, will be installed within a short time.
